

**2021-2022 ARTICULATION AGREEMENT
BETWEEN
ANNE ARUNDEL COUNTY PUBLIC SCHOOLS
AND
ANNE ARUNDEL COMMUNITY COLLEGE**

Anne Arundel Community College, hereinafter referred to as AACC, a two-year college in Anne Arundel County, Maryland, and Anne Arundel County Public Schools, hereinafter referred to as AACPS, a public school system in Maryland, agree to offer an articulated program wherein students who successfully complete the Database Academy (Oracle) at AACPS are eligible to receive, upon admission to AACC, articulated credits for specified courses offered at AACC, as fully set forth below.

This agreement is entered into in the interests of our students and becomes effective on the date set forth on the last page of this document, following the signatures of the appropriate officials from both institutions.

The following sections describe the specifics of the agreement:

High School Program:

Database Academy (Oracle)

Eligible Articulated Credits:

(CTP 145) Relational Databases and SQL	4 credits
(CTP 147) PL-SQL Programming	3 credits

Community College Programs:

Database Administration Degree or Certificate

Suggested Dual Enrollment AACC Courses:

(CTA 115) Personal Computer Database Management Systems	4 credits
(CTS 110) Network Essentials	4 credits

Maximum Articulated Credits for Certificate: 7 credits

Maximum Articulated Credits for Letter of Recommendation: 3 credits

Under this agreement, students successfully completing the Database Academy (Oracle) Program at AACPS and passing the SQL and PL/SQL Oracle exams are eligible to receive four (4) articulated credits for (CTP 145) Relational Databases and SQL and four (4) articulated credits for (CTP 147) PL-SQL Programming at AACC.

The Database Academy (Oracle) teacher at AACPS may recommend a student for articulated credit if the student has completed the program in its entirety with a grade of 3.0 or higher and has passed one or more of the related Oracle exams, as set forth in the table below:

Oracle Exams	AACC Eligible Articulated Course
<ul style="list-style-type: none"> • Oracle Database 12c: SQL (1ZO-071) • Oracle Database Foundations (IZO-006) 	<p>CTP 145 -- Relational Databases and SQL (4 credits)</p>
<ul style="list-style-type: none"> • Oracle Database 11g: Programming with PL/SQL (1ZO-144) 	<p>CTP 147 -- PL-SQL Programming (3 credits)</p>
<ul style="list-style-type: none"> • Oracle Database 12c: Administration (1ZO-062) 	<p>CTP 245 -- Database Administration 1 (3 credits) <u>AND</u> CTP 247 -- Database Administration 2 (3 credits)</p>

The *Request for Evaluation of Articulated Credit* form, available on the AACC Early College Access Program webpage, www.aacc.edu/ecap, should be completed by the end of the senior school year and submitted with documentation of successful passing of the Oracle exam(s). In signing the form, the AACPS teacher will be making a recommendation to college’s Department Chair, Computer Science.

Students must satisfy the criteria listed below:

1. The student must be enrolled at AACC within one year of high school graduation or by permission of the college’s Department Chair, Computer Science.
2. Before articulated college credit(s) become part of the student’s official transcript, the student must complete six (6) credits of college coursework at AACC with a 2.0 or higher.

Students will adhere to requirements in the articulation agreement coinciding with the academic year prior to his/her high school graduation. Tuition for courses and credits earned through this Articulation Agreement will be waived.

This Articulation Agreement is to be reviewed at the end of each academic year by the Department Chair, Computer Science at AACC, and the Assistant Superintendent, Curriculum and Instruction at AACPS, and may be changed if approved by both parties or withdrawn at the option of either party. Termination of this agreement will not affect any students currently enrolled in the Database Academy (Oracle) at AACPS at the time of termination.
